SANTA'S WORKSHOP, NORTH POLE

Dear Type Name Here,

Thank you for taking the time to write me a letter.

I am busy here at the North Pole getting ready for Christmas. The elves are working hard to get all the presents ready. Miss Claus is making sure all the reindeer are in a fit condition for the journey on Christmas Eve.

Listen to your family and be kind to others. It's the perfect time to care and share with others, but remember the spirit of Christmas all year long.

Have a Very Merry Christmas!

Your Friend,

Santa Claus
